Business Insights — Sales & Profit Performance

Key Business Insights

1. Category Performance

Technology generates the highest sales among the three product categories, followed by Furniture and Office Supplies.

2. Regional Performance

The West region has the highest sales, followed by East, Central, and South.

3. Customer Segment

Consumer customers account for approximately **50.3%** of total sales, followed by Corporate at approximately **30.8%** and Home Office at approximately **18.9%**.

4. Monthly Trend

Sales fluctuate throughout the year, with noticeably higher sales toward **September and November–December** in the displayed monthly trend.

5. Profit Concentration

Copiers, Phones, and Accessories appear among the highest-profit sub-categories in the displayed chart.

Overall Summary

The dashboard provides an overview of sales and profitability across categories, regions, customer segments, sub-categories, and time. The results show differences in sales contribution across categories and regions, while the monthly trend highlights changes in sales and profit throughout the year.
